

Professional Artist Acrylic Impasto

GLOBAL

C O L O U R S

The all Australian acrylic paint

This premium product offers incredible versatility and new creative opportunities. The exceptional range of 37 colours (opaque, semi-transparent, and transparent) has unparalleled purity, intensity and brilliance. They are lightfast, permanent, flexible and water-based.

Professional Artist Acrylic Impasto allows artists to mix every colour they need to the desired opacity or transparency.

These premium quality fine art colours are exceptionally versatile and can be used for folk art, realism, commercial illustration, scenic art, watercolour, traditional arts or textile painting, coloured sculpture, block printing or decoupage.

Available in 75ml tube, 200ml jar, 500ml jar, 1L, 4L and 10L pail.

24 highlighted colours available in Flow formulation: 250ml bottle, 1L pail, 4L jerry can & 10L pail.
